General conditions - Service Exchange Unit's program (SEU)

The following General Conditions are valid for all tenders and sales agreements unless otherwise expressly confirmed in writing by PJ Diesel Engineering A/S registered under VAT no: DK 86011719 - Eori no: DK 86011719 including divisions: *Four Stroke Engineering A/S and PJ Woodward Controls & Injection Systems A/S* (hereinafter referred to as PJDE).

To accommodate our clients changing requirements PJDE has developed the below-stated deposit structure, by not invoicing deposit upon delivery but allowing vessels time to return the unit after replacement.

- Customers will be charged a fixed service exchange fee.
- Depending on the condition of the returned unit(s) - repair price(s) final invoicing will be invoiced based on the repair and inspection report.
- If SEU – Service exchange unit(s) returned is stripped for parts, seized, eroded or parts are damaged beyond repair a surcharge will be invoiced (Deducted from the deposit).
- The deposit estimate will always be stated in quotation/order line in case of non-return of SEU part(s).
- The SEU must be returned strictly within **60 days after delivery** or **according to the agreement**.
- If not received timely or as per agreed, the deposit will be invoiced accordingly
We will initially forward a reminder by e-mail prior to invoicing.
- The SEU's must be returned to PJ Diesel DDP Copenhagen, mentioning RAN (Return advise number) or vessel name as a minimum.
- PJDE will provide the return address to corporate or one of our global hubs

RAN – Return advice numbers are the PJDE service order number used for delivery of SEU.

All SEU boxes are equipped with return labels with addresses and references.
